School Drama™

Professional Learning for Primary Teachers

School Drama Hub: Transforming English and Literacy learning through Drama in the Victorian Curriculum

HOW DO I SIGN UP?

To register, call STC Education on 02 9250 1778 or email education@sydneytheatre.com.au. You can register individually or as a group of teachers from the same school. Visit sydneytheatre.com.au/schooldrama for more information.

Registrations close at 5pm on 29 June 2018.

Cost of Registration
$275 per teacher, or 20% early bird discount if you register before 5pm, 27 April 2018

Venue
Abbotsford Convent
1 St Heliers Street, Abbotsford, VIC 3067

Please note: teachers must be able to attend all five professional learning workshops in order for registration to be successful. Places are strictly limited due to the practical nature of the program.

“I found the program invaluable — the new skills gained in using Drama to support comprehension are wonderfully applicable across the curriculum.”

Kacey Poole, St Kevin’s College, Toorak

THE SCHOOL DRAMA BOOK

Looking for a comprehensive resource exploring how drama can be used to improve literacy in the primary and middle years of schooling? Check out The School Drama Book: Drama, Literature and Literacy in the Creative Classroom by Ewing & Saunders, published by Currency Press. This text documents the research, methodology and practice of the School Drama program and contains 22 units of work for Kindergarten to Year 8.

Purchase your copy at sydneytheatre.com.au/theschooldramabook

School Drama is a professional learning program for primary generalist teachers.
The program demonstrates the power of using drama pedagogy with quality literature to improve English and literacy in young learners.
School Drama was developed by Sydney Theatre Company over a four-year pilot program in partnership with the University of Sydney and leading academic Professor Robyn Ewing AM.
The program is designed to increase teacher confidence and capacity in using the Arts as critical, quality pedagogy. Extensive research demonstrates this improves student engagement and literacy outcomes.
