

Craft is good for you!  
Keep a little piece of  
The Popular Mechanicals with you  
always by making this ridiculous  
chicken figurine. Or hat.

**You'll need:**

- Scissors
- Sticky tape or glue

And if you'd like to turn your chicken into a hat:  
Elastic for a chin strap

**Step 1**

Cut out all the pieces.

**Step 2**

Assemble the body into a cone shape, then stick the  
other body parts in the right places. Ta dah!

**Step 3 for chicken hat enthusiasts**

Stick elastic to the inside of the body at the base, and  
pop your chicken on your head.

**Step 4**

Show us your chicken!
