Muriel Heslop is back! And this time she's singing.

For *Muriel's Wedding The Musical*, original writer-director PJ Hogan has updated his own screenplay to today, creating a stage show with all the irreverence, naughtiness and dark edge of the film. The new show features original music by award-winning singer-songwriters Kate Miller-Heidke and Keir Nuttall, alongside those fabulous ABBA numbers.

The dream theatre director/designer team of Simon Phillips and Gabriela Tylesova (*Love Never Dies*, *Ladies in Black* and STC's *Rosencrantz and Guildenstern Dead*) lead a stellar creative team.

Stuck in a dead-end life in Porpoise Spit, Muriel dreams of the perfect wedding – the white dress, the church, the attention. Unfortunately, there's one thing missing. A groom. Following her dreams to Sydney, Muriel ends up with everything she ever wanted – a man, a fortune and a million Twitter followers. That's when things start to go really wrong.

An exhaustive casting process is now underway for what promises to be STC's biggest show in years.
