The information contained in this document is based on current information.

While every effort is made to be as specific as possible some changes will no doubt occur.

## GENERAL INFORMATION

The Ruth Cracknell Room is Roslyn Packer Theatre's dedicated function room and features original brickwork, beams and columns, giving it evocative warmth. The Ruth Cracknell Room can be hired for cocktail functions, dinners, conferences and meeting facilities.

### Capacity

Seated – 60

Cocktail – 70

### Accessibility

The Studio is wheelchair accessible.

### Load-in Area

Our Loading Dock is located between 24 & 26 Hickson Rd, opposite Pier 8/9. Driving past the venue, it's the first driveway on the left.

### Deliveries and Collections

Any delivery or pickups that are required during your hire are to be managed via the Loading Dock and arranged while Stage Door is open. If alternative arrangements need to be made, please advise your venue contact.

### Parking

There is no parking space allocated to the theatre and all vehicles must be taken off site.

### Storage Space

There is very little storage space in the venue. Empty road cases etc. may be required to be taken off-site.
